## BILL OF FARE

Welcome to the Peddler! Here's hoping you will enjoy what we consider to be a unique experience in dining pleasure.

Our Menu is simple ... we offer two superb cuts of beef ... the Peddler's own Rib Eye Steak and N.Y. Strip Sirloin Steak ... which are properly aged, completely boneless, and always tender. The loin is brought directly to your table, where our cutter will assist you in selecting the thickness you desire and ascertain just how you like your steak prepared.

As your steak is being grilled over live charcoal, you may venture to our fabulous Peddler Bar and prepare a salad suited to your individual taste and proportions. There are 50 delicious ingredients from which to choose, all freshly prepared for your utmost enjoyment.

Our beef is priced as $.85 an ounce (8 oz. minimum), which includes all the salad you would like, choice of steaming baked potato or crisp french fries, selection from our Bread Bar with an assortment of tasty butters, and a limitless supply of coffee or iced tea.

Child's Portion ... Your child may share your steak if he is too small of appetite to do justice to a cut of his own. For an additional $1.00, he may have his own salad, choice of potato, bread, and beverage.

A most hearty appetite to you!
